

Dear Rising 5th Grade Parents and Students,

Summer reading is strongly encouraged and if you are not sure what to read, a suggested reading list is attached. This list comes from the 2024-2025 Volunteer State Book Award list.

For Math, you are expected to KNOW your multiplication facts. To solidify your fraction knowledge be an architect or chef over the summer. For example, you could build a bird house or help cook dinner for your family.

Please bring in all supplies labeled in a bag with your child's name for 5th grade on Registration Day, August 4th.

We hope you have a wonderful summer. See you in August!

Mrs. Inman and Mrs. Kirkland
